19. Attention Students! The faculty has decided to change the Independent Reading policy. You now have two Independent Reading options to satisfy the semester/quarter requirement: read a book at or above your maximum lexile score (as determined by the NWEA reading test) and pass the Renaissance Learning quiz (at the 60% level), just as you do now. Eight points satisfies the semester requirement, just as they do now.

Or read a book from our "Great Books" list. Reading a book from the "Great Books" list and passing the Renaissance Learning quiz (at the 60% level) satisfies the semester requirement regardless of

the book's lexile and point values.

Look for the "Great Books" list to be on line at our website on Friday. Happy reading!
