## STUDENTS

Today is "World Compliment Day"

A true compliment must be genuine, or the receiver will see through it. As importantly, the receiver must accept the compliment with a heartfelt "Thank you!". It's no good being self-effacing; you'll wring all the positivity out of the situation, making for a dull Compliment Day. Done properly, Compliment Day is undoubtedly a force for good in the crazy world.

Happy birthday Amanda W.
