## STUDENTS

Reminder -- Students are not allowed to ride a WWG school bus to another student's house before or after school unless parents have called either school office or have a written note which that student has turned into the office prior to riding the bus. There will no longer be any last second cell phones handed to Mr. Olson to have a parent or guardian saying this student can go to another person's house. Please take care of business ahead of time, so we do not hold up bus routes like we did this past Friday night.
