STUDENTS

Following is an email that Mr. Woelber received.

My name is Trent Hess, I was a ref at the JV football game against RTR yesterday afternoon. I just wanted to tell you how impressed I was with how respectful your JV team and Coach was yesterday. Your kids were always right there to help others up after the tackle (both WWG and RTR players), they played hard, fair and didn't complain. When they were down and frustrated they didn't seem to take it out on each other on the field. I don't generally send out emails like this, but your kids impressed me so I thought I would share that with you.
