

## **Charger / Logger / Wildcat Reunion Updates**

**May 10, 2010**

### **Greetings from Westbrook Walnut Grove Schools!**

1. Dixie (Rhube) Severson (Jeffers class of '7?) and I are doing our best to get this reunion organized. We appreciate everyone's patience and the assistance that is offered. I hope we have a great weekend with great weather.
2. I've had a few comments about the price of the registration / meal tickets. \$46 is for us to put together packets, pay for the tents and picnic tables and of course the meal. Our goal is to have a little extra when it's over to keep in the education foundation. I am hopeful for many folks at the Sunday meal!
3. We have the class of 2012 bussing tables for our big meal on Sunday!
4. I am still looking for confirmed volunteers to help me put together the packets once we have received the registrations!!! Please email me @ [lwoelber@mntm.org](mailto:lwoelber@mntm.org) or call 507-828-6608.

Thanks

Loy Woelber, Superintendent
