## All School Reunion Update

I hope that everyone had a great weekend! WWG graduated the class of 2010 yesterday and it was a great ceremony.

- We have had a few registrations trickle in and expect a few more this week. It is fine to get them in this week yet. Dixie is checking with the caterer about folks that show up that day for the meal. I had a question regarding students eating and the cost to us is \$11.38 for the meal so we'll charge \$11.00 since there will not be that many students.
- The good news is that we have enough registrations to cover our costs of the meals, tables and tent. I am hopeful that we'll pick up a few more donations over the course of the year after folks have seen how well this district is doing!
- The big push for the education foundation over the next 5 years will be to give the Westbrook gymnasium the same facelift we gave Walnut Grove about 5 years ago. We are currently automating the baskets (safety issues) and hope to put in automated bleachers as our current units are wearing after 35 + years of use. I am looking for ideas on the fundraising such as alumni team challenges, adopting a section, auctioning old sections etc.
- We are going to have a registration table on Saturday at both Walnut Grove and Westbrook. I have decided to have the nametags blank for you to write whatever nickname and class on that you want. We will also supply a schedule of events, meal tickets and a list of recent donors and registrations.
- Saturday evening there will be a tent in the Westbrook Park with Karaoke and a beer garden. Saturday evening in Walnut Grove we will have the pageant singers performing for 45 minutes and will be followed by Mylan Ray, a wonderful DJ out of Pipestone, MN. The WWG girls BB team will be in charge of food for the evening in Walnut Grove.
- Looking forward to meeting many of you!

Loy Woelber, Superintendent
