

All School Reunion Update!!!

I want to correct one error in my previous post. We did not raise \$3500 for the foundation, BUT we did break even! In our initial accounting, we took into account some donations that were made previous to the reunion that "did not count." We ordered the tent and tables expecting between 750 and 1000 people like we had in 2000. That was not the case but we were able to make it a wash and learn for future reunions. Thanks to all of you for your great support of WWG schools!

Loy Woelber, Superintendent
