

WWG Board Meeting Summary

April 20, 2010

- Legislative nothing happening.
- Senior class trip went well.
- Junior class still going to NYC and DC.
- Renewed membership in MSHSL.
- Traded treadmill for elliptical from Lake Benton.
- We'll discuss and approve the changes to this year's calendar in May.
- We approved next year's calendar and will do 2011-2013 in May as well.
- Special thanks to Rhae Baker for a job well done and accepted her resignation.
- Approved contracts for Mr. Olson and Mr. Richards for this year and next.
- Formally approved the budget savings measures for next year. *I added that we are hopeful for a slowdown in enrollment decrease and things will look up. I mentioned that starting today we will plan for the fall of 2011 and absorbing wherever we can naturally. Bill and Paul will continue to scheme their share of reductions into the future starting now.*
- Held off formal approval of capital outlay projects until May meeting but did agree on most projects happening. Waiting on WB street project, WG driveway behind bus garage, plumbing options in art room until May.
- Enrollment hanging in all year between 490 – 500 students (491) Kindergarten is looking up!
- Mr. Woelber report brief with sad news of family losses in WB and WG over the past couple months. All school reunion is coming and a lot of work for Dixie. Hoping for a grant for a van with wheelchair lift.
- Talked a little of a 4 day week and it's possibilities
- Mr. Richards report
- Mr. Olson report
